Keren, Jennifer, and Lucero

Keren, Jennifer and Lucero are three sisters who were brought into our home in October 21, 2009. They were afraid, and not very trusting of others. Keren was so used to taking care of her younger sisters that she had forgotten how to be a little girl. Jennifer had not been treated well by her mother and was so infected by lice that we had to shave her head completely. Lucero, clung to her older sisters. Since taking these three girls in we have seen an amazing transformation. Keren has learned she can trust again and is enjoying just being a kid. Jennifer's hair has grown

out, and she is a beautiful little girl inside and out. Lucero is now a sweet carefree 5 year old.

Keren has come to know Christ as her Savior and loves going with us to pass out tracts, and do open air meetings. She also enjoys going to youth group and playing volleyball. Jennifer enjoys coloring and dress up. Lucero has recently moved from the toddler room up to the "big girls room." She loves playing with her dolls and singing the songs she has learned in Sunday School. We know that the Lord has a plan for these girls. Please pray with

us for them & for the family that is wanting to adopt them--God's will be done!

Thank you for the wonderful response to our sponsorship program. We still have a few children that are not fully sponsored. If you would like to know more, or sponsor a child please visit our website at perumissions.com

This year at the NLCH we have many projects we want to complete. If you would like to know more, or help with any of these please contact us at perumissions@yahoo.com.

Please pray for Mrs. Peggy. She has been in the states this past month with her family. She is returning back here to Peru this week to help with our "group season". Pray for her travel safeties.

Pray for us as we have many different churches coming down this summer. Pray that we will win many souls for Christ as we minister to the Peruvian people!!
