PERU MISSIONS & THE NEW LIFE CHILDREN'S HOME

From where we stand

...all children are special and deserve the Love of Christ in their lives. There is hope for a "new life" after they've been abandoned and orphaned. We see what God can do through New Life Children's Home and your faithfulness. Thank you for helping us reach them here in Peru!

A True Servant

Sister Peggy Moran has been such a vital part of the New Life Children's Home and other ministries there in Peru. She spends most of her time in Peru taking on several responsibilities serving and teaching others to serve. Not only is she a Grandmother to the children and staff

Greetings from our family! We always look forward to sharing these updates with you about the wonderful things our Lord has done and is doing through you in our lives and ministry in Peru. Our greatest report though, isn't about the wonderful things happening there in Peru and the many open doors He's blessed us with, but one more personal. In September Mikey (our oldest son) trusted Christ as his personal Savior! It is a true joy to see anyone come to know Christ personally, but to see our own children make this decision is the greatest joy we've ever known. We are so proud of him and the great heart he has to please King Jesus! We ask that you please pray for him and each of our children that they will stay close to the Lord and seek His will for their lives.

SHARING THE GOSPEL

Previously, we shared a story of how we had the privilege of leading the Mayor of Antioquia to Christ this year. He actually came with his wife to our church and when I gave the invitation to receive Christ he looked at me and raised his hand high! Well, we are very excited to tell you of another Mayor that trusted Christ. While there in Peru the last week of June, Pastor David, Alex, Peggy, and I (Mike) went to meet with the Mayor of Cieneguilla (where one of our churches and Children's Home are located). While there, we not only had a wonderful

time getting to know him, but we shared the Gospel with him and he prayed to accept Christ as his personal Savior! He then shared how his parents told him for years that they have been praying for him and "now he knows why!"

in the Home, she also works a bus route bringing others to church every week, has a weekly village Bible study, helps us hosting groups, evangelizes, and much much more! Before returning back to the U.S. in September the Mayor of Cieneguilla called and asked us to take food to a nearby village. Peggy, along with a visiting group, fed over 500

people with the soup kitchen ministry and gave everyone the Gospel. She works very hard and has a heart to reach lost people. While here in the States Peggy contacts all of our NLCH supporters and sends them our updates along with sponsorship information. We are so thankful for Peggy and the great blessing she is to God's Work.

5th year anniversary at Calvary Baptist Church!

In June, we celebrated the 5th year anniversary of Calvary Baptist Church in Pachacutec. Pastor Jorge Perez and his wife have done a wonderful job caring for these people. When we started Calvary Baptist Church, we were told that it was too dangerous to start a church there. Before, it was a place ruled by darkness, drugs and depression, but now, it has become a great place of refuge for so many people. Among visiting groups this is a favorite ministry to visit. The church sits on a hill and is surrounded by hundreds of thousands of shanty homes. They are already working towards starting other churches.

Family & Furlough

We've continued to stay busy while here in the states to raise both personal and ministry funds. We do ask that you please keep this a matter of prayer that we would see an increase in support, so that we can continue with all the ministries we have going there in Peru, such as The Children's Home and church planting and be able to do even more. Our travels have taken us up and down the east coast and all the way to California! God has blessed us with safety traveling and seeing souls saved along the way. The fellowship with friends and family has been very encouraging for us all. The kids have been able to spend some special days with grandparents as well! We've celebrated 4 birthdays in our family this quarter Zachary (12), Mikayla (10), Joshua (14), and Zane (7). They miss their school and friends very much, but have had the greatest attitude considering all that we ask of them. Thank you so much for your prayers and the honor of serving as your missionaries!

Christmas is almost here... and we need your help!

Each year it is our desire to make this a very special time for all the children and staff at NLCH. We would like to make sure that not only all the children receive gifts, but all the workers receive gifts as well. We want to show our appreciation to them for their hard work and dedication in caring for these children. We need your help to purchase gifts (such as toys and clothes) for the children, and gifts for the workers.

Would you pray about giving a tax deductible donation to NLCH this Christmas?

You can send your gift to CMC marked "Christmas at NLCH."

Baptizing, Soul winning, Teaching, & Bible Studies

We have much to praise the Lord about over the last several months. Along with our regular ministries and outreaches, this is a very busy time for us hosting groups.

We enjoy this as we see God work through our ministries there to change lives.

We've been able to share the Good News of the Gospel with thousands!

Many of which have never heard the truth before. We've also seen several go through discipleship and take that step of obedience in baptism. Almost everyday there is someone

from our ministries teaching God's Word.

James 1:27 "Pure religion and undefiled before God and the Father is this, To visit the fatherless and widows in their affliction, [and] to keep himself unspotted from the world."

Adoptions

We Praise the Lord that we have seen several more adoptions over the last quarter. Although,

it is hard to see the children leave our home we are so excited to see them go with their "forever families." We Praise the Lord that we were able to be a godly influence in their lives.

We've also taken in 5 more children in the last month. Please continue to pray for these children, the Christian families that are in the process of adopting, and

this wonderful ministry-- New Life Children's Home. If you would like information on how you can sponsor a child please contact Peggy Moran at pbmoran@gmail.com.

A Dorm for 60 plus children

We have seen the Lord bless the ministry of New Life Children's Home in so many ways over the years. This year we celebrated our 7th year Anniversary since starting the Home and we are close to seeing our 80th child rescued, adopted, and placed with their forever family.

Please pray for this great need. We've already received \$35,000.00 toward the \$80,000.00 we need to build this new dorm. We know that times are tough, but we also know that God is faithful. There are so many more children that we need to reach while we can. Would you please pray about helping with this need?

Many Needs...Met

How odd it would be to receive a Missionary update saying "we have no needs." The needs we share and you read about, are the very platforms from which we continue to see God's amazing power and faithfulness in our lives. They are also where we've seen God use you in our lives every month. The "Missionary Life" (full of all the many needs it may come with) is so wonderful...because of the God who we serve!

As we've been sharing with you in our updates we need your help. Because of the weakening dollar and increase of the minimum wage in Peru, along with other ministry needs we still have a ways to go. Please pray for us and the many miles we have yet to travel. If you would like to schedule a meeting with us please contact us at mkinperu@yahoo.com.
