Quarterly Update

January 2013

## More Children Rescued Thanks To Your Prayers And Giving

The pictures above include four of the nine children that God has brought to New Life Children's Home since our last update. Thanks to your continued support and prayers these precious children now have the hope of "New Life."

## A Very Merry Christmas

As you might expect, celebrating Christmas with 29 children is quite a sight to

behold. This year was no different as the children had a wonderful dinner, experienced Christmas stockings for the first time ever, and opened many incredible gifts. We want to thank each of you who gave sacrificially to meet the extra needs during the month of December.

## Back To School

Our children are currently on summer vacation here in Peru. Throughout the month of February, preparations will be made for their return to classes. This year, we will be purchasing backpacks, lunch boxes, uniforms, and supplies for 27 children. As you can imagine, this comes with tremendous expense. Please consider making a "Back To School Donation" toward this need. All gifts can be marked for this purpose and mailed to: Central Missionary Clearinghouse P.O. Box 219228 Houston, TX 77218.

## A Bright Future

Phase One of the new dormitory project is now complete. The old building has been demolished and the debris removed. In a few short days, the footers will be poured and ready for construction. This new dorm will have the capacity to house up to 60 children. We continually receive calls to take in more orphaned and abandoned children. We want to reach these children with the love of Christ and need your help! (Ps. 82:3) Please continue to pray as

God not only supplies the needed funds to complete the construction of this dorm, but also monthly funds to fill it with more precious children.

## Please Pray

We conclude this update by asking you to continue to pray for the ministry of New Life Children's Home. Please pray for the Kennedy family as they finish raising funds during their furlough, the Herrell's, the New Life Staff, and for every child with us now and in the future. May Christ's love be seen in each and every one of us. Thank you again for your faithful support of this ministry. May God bless you mightily in return.
