New Life Children's Home

It's Back to School for the Children of New Life!!

As many of you know the Peruvian school year starts in March and ends in December. The children have enjoyed a wonderful summer break. This year they participated in several different summer activities. The girls took "Marinera" lessons..this is a Peruvian folklore dance, along with an arts and crafts class and a special hair braiding class. The boys all played soccer which they absolutely loved. Some of them also played basketball, took art and music lessons and all the children took swimming lessons. A huge "Thank You" to all who gave for these special activities that the children enjoy doing. We couldn't of done it without your help!

A new school year means new backpacks, lunch boxes, uniforms, books, school supplies, tennis shoes...plus school tuition. We need your help getting the children outfitted for school this year. We need \$4,770.00 in total for all the children. On top of this, is the monthly tuition which is \$720 per month. We also need your help to build 2 new classrooms that will also be used for Sunday School on weekends. The cost for both classrooms is \$2,400. Would you and your church please pray with us about these needs and how you can help?

If you would like to sponsor a child's education specifically, it is only \$40 a month, or you can send a one time gift. If you would like to help with any of the above needs, please send your donation to CMC marked NLCS Peru/Kennedy or designate it to what you would like the funds to be used for. If you have any questions please feel free to contact Mike at: 336-905-0330 or mkinperu@yahoo.com
As always, thank you for your prayers for our family and our ministries here in Peru!
