& THE NEW LIFE CHILDREN'S HOME PERU, SOUTH AMERICA

*“And the angel said unto them, Fear not: for, behold, I bring you good tidings of great joy, which shall be to all people. For unto you is born this day in the city of David a Saviour, which is Christ the Lord.”
Luke 2:10,11*

Our family would like to wish you and yours a very blessed Christmas and thank you for your support, both financially and prayerfully, so that we are able to accomplish what the Lord has called us to do. Merry Christmas and Happy New Year!

Greetings from our family and The New Life Children's Home! We've had a lot going on over the last quarter and we deeply appreciate your faithful prayers and financial support for us and the work in Peru. God has been faithful to meet our every need and has given us plenty of opportunities to reach others with His Love!

CHURCH & SCHOOL MINISTRY:

Our churches have seen souls saved, folks grow spiritually and believers baptized. This month New Life Baptist Church, in Cieneguilla, celebrated its 16th anniversary! Thankful to today's technology, we were able to video chat with the church and celebrate with them. God is using our Christian School in many ways. A majority of the students are from families that do not know Christ or go to church. We recently finished three new classrooms, and everyone is enjoying them!

NLCH: There was a little girl, who after already being abused, was placed back with her biological father. Sadly, they found her being abused again. Her poor little body was bruised all over. The wonderful news is that Kiara (age 6) is now in our care, happy and safe! We will be able to protect her, help her to

be adopted and best of all, help her have a NEW LIFE IN CHRIST! Another great happy ending to share with you, is of a young boy in NLCH, who has been matched with his family. Abel has been with us for over 12 years! That means 117 Children have adopted or placed through this ministry!

FAMILY: We're thankful for the great meetings, souls saved, and God's safety while traveling. It's also been a busy time getting personal documents updated while on furlough. We were blessed to be with all of our children and extended family for Thanksgiving.

PRAYER REQUEST: Safety traveling and family health.

Funds for budget. The former President of Peru raised the minimum wage in April. This means our budget for the Children's Home increased. Along with this, and the needs to care for the

children we already have, we need to raise support for NLCH.

CHRISTMAS AT NLCH...

Would you prayerfully consider helping with a Christmas offering for the Children's Home? Your donation will help buy Christmas presents, a special Christmas meal, New Years Eve party for the kids and workers, and help us

meet the budget at NLCH. For some of these children this is the first time they will receive a present or celebrate Christ's Birth. Thank you for your help! Your generosity will light up the faces of children who have known far to little joy in their short lives. Please send all

donations to:
