& THE NEW LIFE CHILDREN'S HOME PERU, SOUTH AMERICA

*"O give thanks unto the LORD, for [he is] good: for his mercy [endureth] for ever." Psalms 107:1*

*This year we hosted over 20 churches and short term missions teams. Together we shared the Gospel in many new public schools, police and military bases, prisons, rehab centers, and villages for the first time! We also received another container of Bibles, New Testaments and John & Romans to give out! We've already given out over 200,000 copies of God's Word this year!! God is good... all the time!*

**SALUDOS!** (Greetings) from our family and The New Life Children's Home!

This has been a very busy productive year and we have been encouraged and strengthened by your faithful prayers and support for us and the work here in Peru.

Here are some wonderful updates we have to share with you!

**CHURCH & SCHOOL MINISTRY:**

Our churches have continued to experience growth and see folks saved. Each of our churches recently baptized and are training new leaders. This month New Life Baptist Church, in Cieneguilla, celebrated it's 17th anniversary, with standing room only in attendance, several decisions made, as well as 6 baptized!!

God continues to use and bless our Christian School in great ways. We are anticipating having over 200 students this next year. The majority of the students are from families that do not know Christ or go to church. It's been wonderful to see God touch the hearts of these students and families. Please pray for the many financial needs we have as the government is requiring us to replace all of the wood classrooms with brick and cement. We need \$12,000.00 to finish the next phase of the school.

**NLCH:** We've taken in 9 more children into our Children's Home this year, along with helping many others that stayed with us temporarily while being placed.

Here are two pictures. The one on the left is Abel. He came to New Life when he was only 4 years old and was with us longer than any other child. He prayed often (even publicly in church) over the years for God to send a family to adopt him. His prayers were answered this year! Hallelujah!!! The photo on the right is Jared. He just turned 4 last month and is from a very abusive situation.

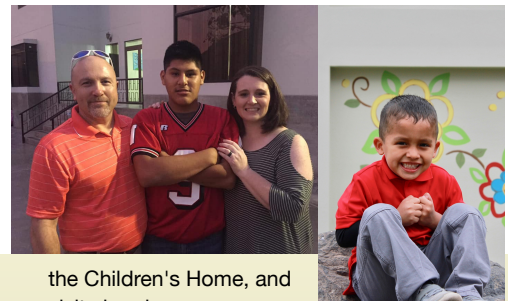

Just look at that smile and see what God is doing in his heart...at NLCH!!!

**OUTREACH:** On November 7th we had the opportunity to take Bibles and some beautiful soccer medallions with Romans 10:13 engraved on the back (gifted by a supporting church), and share the Gospel with over 200 high school students and teachers! It was amazing! We also have a bus route in this area, so they can ride the bus to the local church. This is just one story of many where we've seen God work in a mighty way! **He is good!!!**

**FAMILY:** Our family has been through some amazing highs and difficult lows this year. Sadly we've lost family members, friends, and church members this year, but we have the peace of knowing we will see them again in Heaven! We've also had a lot of sickness, surgery, physical therapy and several hospital visits, but we are all recovering well.

Some highlights are Mikey finishes college this November, then he will start World Race in January taking the Gospel to 11 countries this next year! Josh graduates from college in May. Zack is in his second year of college and studying abroad in Ecuador this semester. Mikayla got her drivers license in the US and graduates high school this year! Zane is in eighth grade and doing great!

**Thank You!** It's through the faithfulness and sacrifices of God's people that we are able to be a part of reaching Peru for Christ, and caring for abandoned and orphaned children.

**More highlights...**It's impossible to list every highlight and share photos of all the things God has been doing, in an update like this, so we are uploading some photos and captions to our website. We hope that you are able to view and enjoy them.

We covet your prayers as we continue to divide our furloughs up, in order to keep required paperwork updated, raise needed support for

the Children's Home, and visit churches.
